## EDUCATION

---

**KG Reddy College of Engineering Technology**, Moinabad

Aug 2017 - September 2021

Bachelor of Technology in Computer Science Secured an aggregate of 7.0 CGPA

## EXPERIENCE

---

**Software Development Engineer Intern**

Dec 2021 - May 2022

Writers Inc

*Hyderabad, India*

- Designed and developed an Android mobile application app using **Java** and a **REST API** to store and fetch data from the back-end database.
- Added new features A **voice note** is sent to the email on successful payment with the user all details.
- Optimizing the Android app's cold start time by **60%** was possible simply by identifying performance bottlenecks, and fixing and measuring the impact.

## PROJECTS

---

**Globe Water** Java,Kotlin,XML,Firebase [PROJECT LINK](#) [APP LINK](#)

- The Android Application help to solve the problem of the user booking water online, in one click.
- I have to integrate **Google Map Integration** to track the location of the user for delivering water.
- Use Payment Gateway **Razorpay** to pay the online payment and added a security feature like OTP to make secure the Transaction

**Employee Management System** Java,SpringBoot, MySQL, Hibernate

- The Spring MVC web application for Employee Information Management uses CRUD operations like **Create, Insert, Update ,Delete**.
- we added the information in the MySQL database of employees using Hibernate
- For the front end we use a html, css for ui design to show an employee information

## SKILLS

---

<b>Programming Languages</b>	Java, C, Kotlin, Flutter, JavaScript, ReactJS, NodeJS , Spring ,SpringBoot
<b>Technologies</b>	Android Studio, Firebase,HTML5,CSS3, Figma,Adobe XD
<b>Database</b>	MySQL,FireBase

## ACHIEVEMENTS

---

- Solved **250+** problems on **LeetCode**.
- Got a **2nd** rank out of in [Android App Development](#) organized by IIT Hyderabad.
- Solved a **250+** problem on Scaler Platform
- Google Kick Start Round-D 2022 got a rank 2402

## COURSES

---

- Did a **Java** course where I learn JDBC, Servlets,JSP ,SQL database.
- Did a **Kotlin** course where i developed the number of application like **Weather App, Library Management System,Travelling Tickets**.
